Hello everyone,

At the recent Santee Alley meeting held June 16<sup>th</sup>, the proposed sidewalk vending in the Fashion District was discussed. Property owners who were present in the meeting agreed to send letters to the City opposing sidewalk vending in the Fashion District.

It is strongly suggested that the Santee Alley property owners send letters of opposition to Council President Herb Wesson. You can also cc: Jose' Huizar, the Councilmember of District 14. Their address is:

**City of Los Angeles**  
200 N. Spring Street  
Los Angeles, CA 90012

The first attachment is a letter from Kent Smith to Council President Herb Wesson opposing the sidewalk vending. Feel free to use this letter as a sample letter to the Council President and to Jose Huizar. The next three documents are from the LA BID's consultant helping with outreach. They include good information and you may want to take some information from them to include in your letters.

Your immediate attention to this matter is appreciated.

Thank you.

Fanny
